

ARES Preamble for Simplex Check-ins

updated: 5-Oct-10

1. "QST QST QST This is "your call" , Net Control for the Whatcom County Amateur Emergency Services Net.
My name is "your name" . This is a directed net."

2. "The purpose of the Emergency Services Net is to provide a communication link between ARES members, the officers, and our counterparts."

3. "This net is intended to provide ALL Amateur Radio Operators with information about training in ARES, Emergency Services, net control, and traffic handling." *(break to reset the repeater)*

4. "This net meets every Sunday at 19:00 local time." Our primary net frequency is 146.740 on the Mt Constitution repeater." "The alternate frequency is 147.160 on the King Mt repeater and 146.500" simplex."

5. "Please DO NOT act as a relay station unless Net Control asks you to do so." "Any traffic or comments for the net should concern Emergency Service related items or emergencies ONLY."

6. "Please do not break this net for any other reason. This is a directed net." "Does any station have emergency related traffic?" *(If nothing then continue)*

7. Now, I would like to ask our members in Whatcom County to listen for details about where you will check in to our monthly simplex net for your quadrant. If you can't hear your net control person on simplex, please return back to this frequency where you will be able to check in later. All those members from B.C. and counties outside Whatcom please stay on this frequency to check in.

8. I would like Quadrant A members to meet Terry, KC7OAS on 146.440 simplex to check in.

9. I would like Quadrant B members to meet Mark, KE7PNF on 146.460 simplex to check in.

10. I would like Quadrant C members to meet David, KD7SBB on 146.480 simplex to check in.

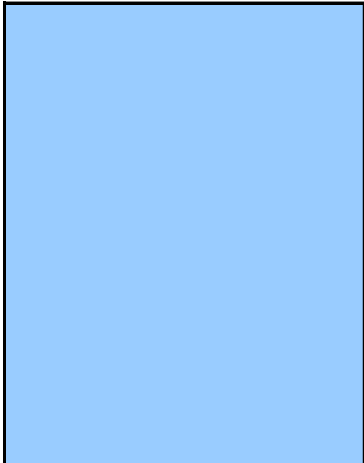

11. I would like Quadrant D members to meet John, KB7PKL on 146.500 simplex to check in.

12. Please go to your simplex frequency now.

13. "This is, "your call" , Net Control for the Whatcom County Amateur Emergency Services Net." "I will now take check-ins from Vancouver Island. Please give me your call now."

(ask for their call first and then get their name if not listed.)
